WAKEFIELD MP GREASE

WAKEFIELD MP GREASE

Wakefield's **MP Grease** is a lithium complex lubrication grease. This multi-purpose grease, blue in color, has a high dropping point. It has been formulated with special additives that provides high film strength, can handle extreme pressure (EP), and has anti-wear properties. The high quality virgin base fluids provide excellent natural oxidation inhibition. This combined with effective anti-oxidants as well as corrosion inhibitors provide extra stability under storage.

Advantages:

- General purpose grease for applications
- Wear protection
- Oxidation resistance
- Shear stability
- Rust and corrosion protection
- High temperature tolerant
